Our payment policy is as follows:

When someone makes a hire transaction, we receive the payment. We will then pay you in two parts:

Firstly, to cover the shipping.

Secondly, to cover the hire of the items. The second payment will be paid out when the customer confirms they have received the items.

We make payment runs on the 1st of the month. If the payment trigger comes in before the 25th we will pay you on the following month. Otherwise, we will pay you the month after.
